

Journées Julia et Optimisation

vendredi 6 octobre 2023

Julia & Graphs - Jean-Baptiste Say (13:30 - 17:10)

time	[id] title	presenter
13:30	[4] Tutorial on graphs in Julia	DALLE, Guillaume
14:00	[1] Algorithm for the packaging return logistics at Renault: a Julia code in production	BOUVIER, Louis
14:30	[10] Nested approaches for multi-stage stochastic planning problems	SHEFAEI, Alireza
15:00	Pause café	
15:30	[8] Algorithms for the network alignment problem	NATALE, Emanuele
16:00	[7] A Julia implementation of the Domain Decomposition Method (DDM.jl)	LE CHENADEC, Vincent
